Dear Grant Applicant,

We, the Barat Foundation, are dedicated to live according to the example of Madeleine Sophie Barat, who said that, "For the sake of one child, I would have founded the Society." Our goal is to continue to distribute grants each year using our endowment. We aim not only to help organizations monetarily, but through volunteer work, so that we can see the effects our grant has on the community. We thank you in advance for your application.

Sincerely,  
The Barat Foundation

*Mission Statement:*

*We, the Barat Foundation, are a philanthropic organization committed to implementing lasting changes within the community to benefit children. As the foundress of the Society of the Sacred Heart, Saint Madeleine Sophie Barat devoted her life to the education and development of children. Being students of the Convent of the Sacred Heart, Greenwich, we are educated to "a social awareness that impels to action." Continuing in the tradition of Madeleine Sophie Barat, we are dedicated to improving lives through not only financial support, but also personal initiatives. We are committed to refining, expanding and diversifying the Barat Foundation by monitoring the impact and the progress of the various programs, while educating ourselves as women in philanthropy.*
