

Convent of the Sacred Heart Interscholastic Athletics Program
2009-10 MIDDLE SCHOOL
ALTERNATE TRANSPORTATION CONSENT FORM

Athletic teams are required to travel to and from games together on school-provided transportation (School-owned vans driven by properly licensed drivers or in commercial transportation retained by the School). A student-athlete driver is not permitted to provide her own transportation or transportation for others under any circumstances to **away athletic competitions/scrimmages**. (Refer to Student Handbook for more information.)

With advance written permission, a student-athlete may leave a game with her parent/guardian or other designated adult. Specifically-dated Consent Forms, for each instance, must be completed and submitted to the Athletic Office **by noon on Game Day** for a student-athlete to be released from the normal transportation protocol. Consent Forms can be hand-delivered or faxed to the Athletics Office at 203.532.3335.

Please note that the Consent Form must be executed by the parent, not the student.
