

CONVENT OF THE SACRED HEART

2012-13 UPPER SCHOOL ATHLETICS

Alternate Transportation Consent Form

Athletic teams are required to travel to and from games together on School-provided transportation.

With prior written permission, athletes are allowed to leave from an away athletic event with a designated adult if a specifically-dated Alternate Transportation Consent Form has been submitted to the Athletics Office by noon on game day (*if game day is a week day*) or by 6 p.m. on Friday (*if game day is on the weekend*).

Athletes will be required to return on the School-provided transportation if the above process has not been completed or the process has been completed and the designated adult is not on-site at the end of the competition for pick-up.

A date-specific, designate-specific Consent Form must be completed for each away game pick-up. *Thank you.*

Consent MUST be executed by the parent, not the student.
